

Please do not allow LPFM priority over FM translator service. K-LOVE radio station would possibly be affected and hundreds of thousands of listeners would be affected, as well. K-LOVE supports wholesome values and has a positive and encouraging impact on communities all across America. I, for one, would be extremely disappointed not to have K-LOVE. It is the only radio station I listen to and I listen to daily. I truly believe the service provided by K-LOVE is in the public interest. Thank you for your consideration in this extremely important matter.
